# FLICKER GAME

Here's a challenging game that balances speed with caution and will test your skill and courage. All you need is a pen and some paper. Flicker racing and Flicker golf involve putting your pen or pencil at a starting point and flicking it as far as you dare in one continuous quick movement. Where the pen stops is where you start your next turn. If you go outside the course start from where your pen exited. The objective is to be the first person to reach the hole or finish line. Two games are included in this booklet but you can draw up any course you like.

## PENALTIES

Sand trap. Land here and miss a turn

Water hazard. Go back to the tee

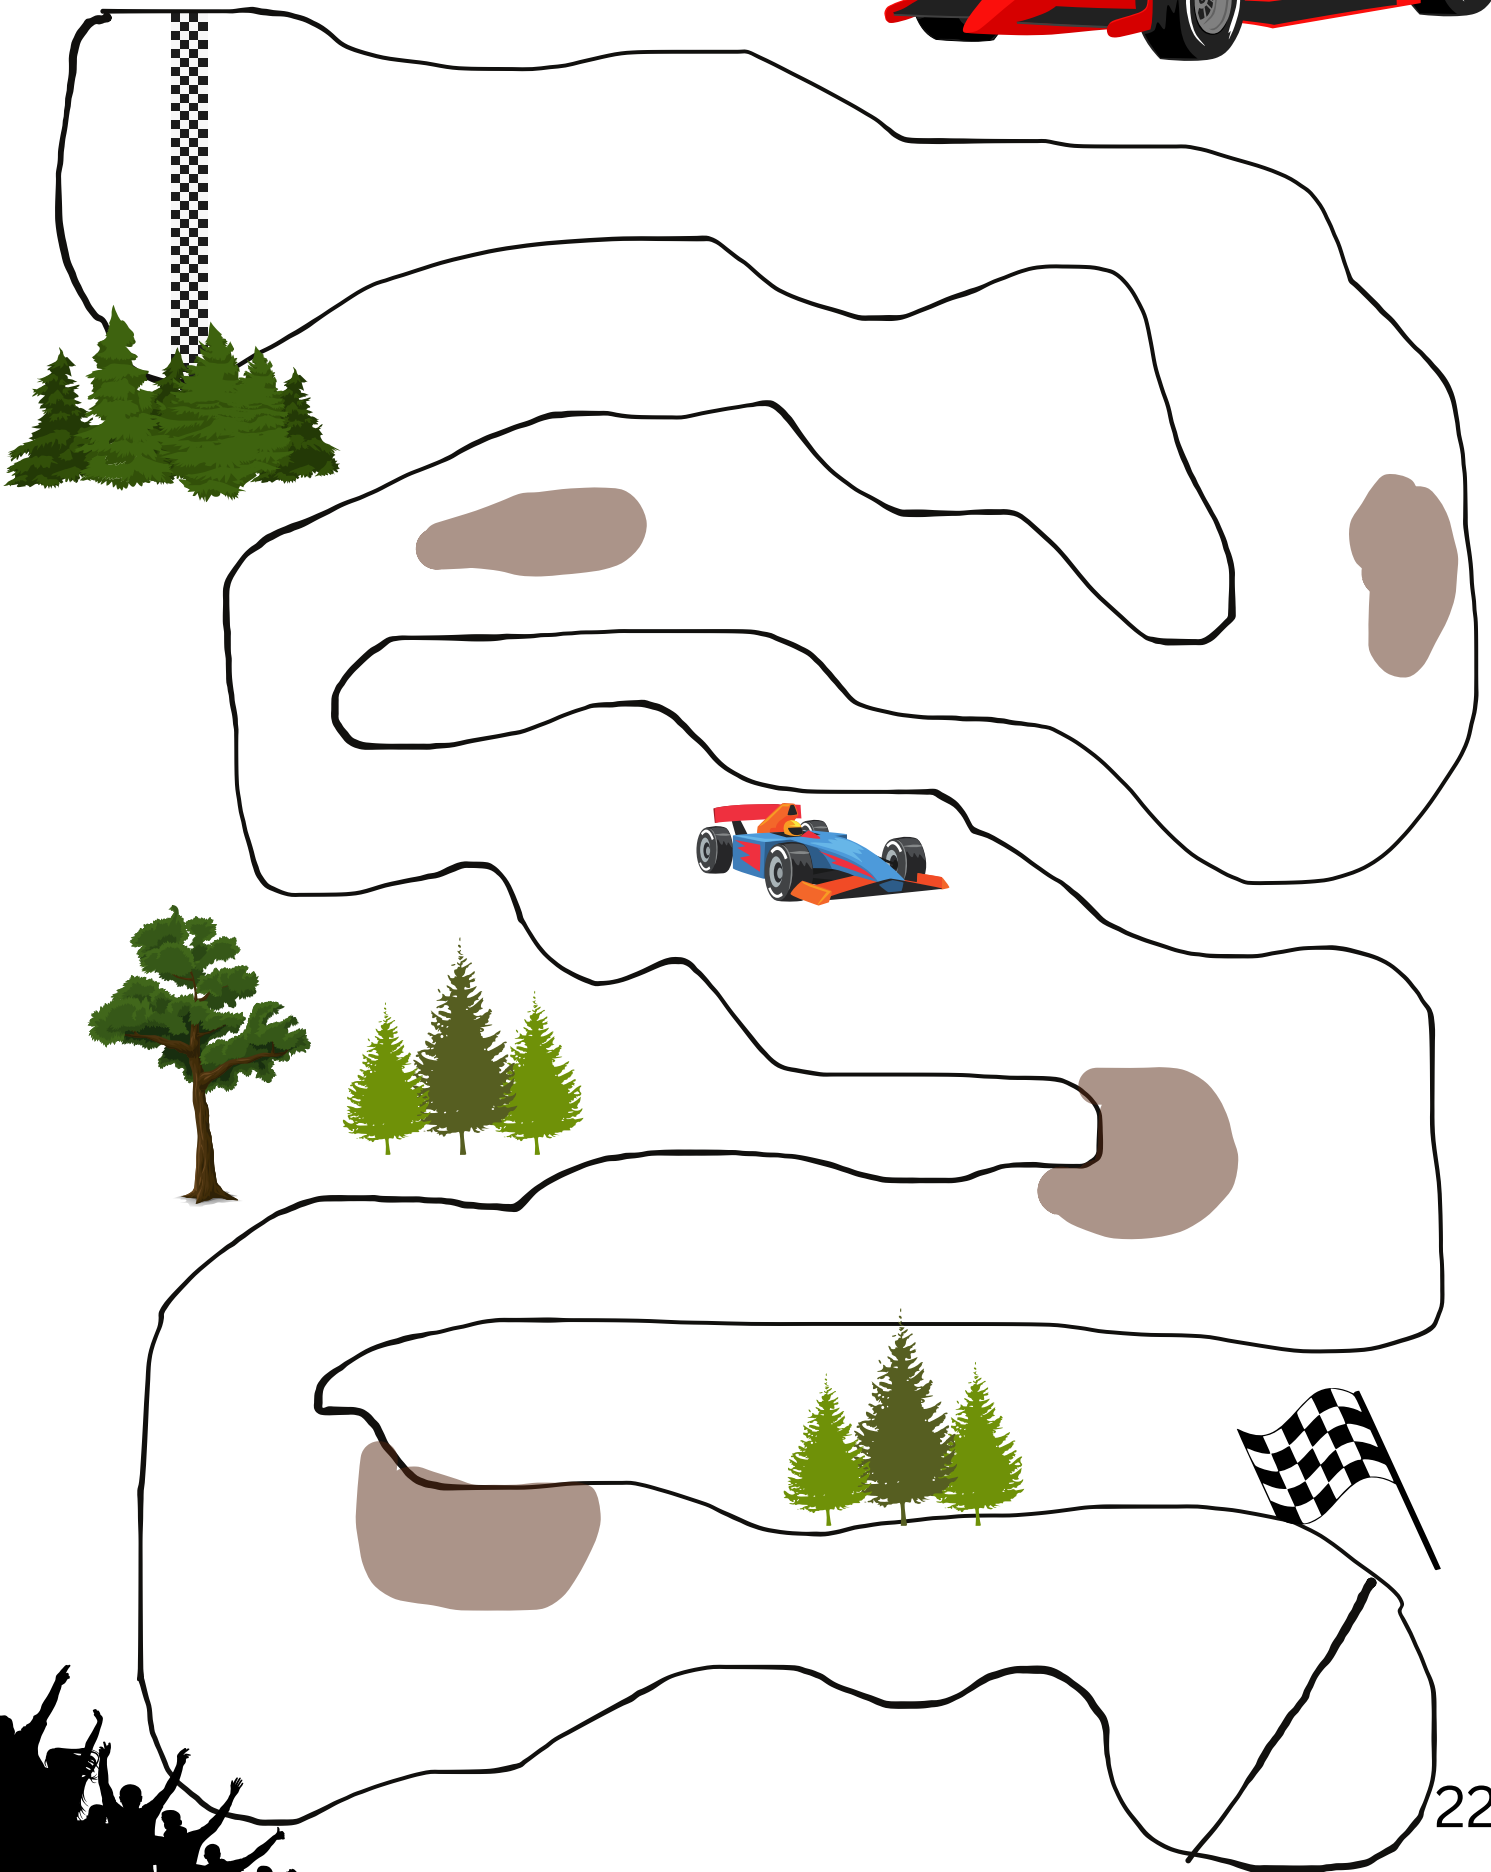

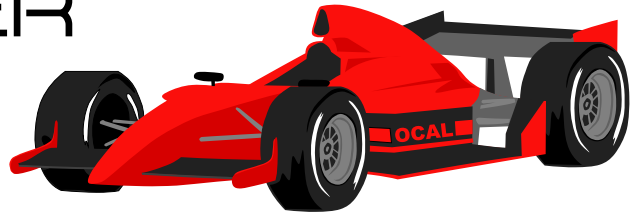

Trees. Must go around. If in a tree, start from where you entered the tree.

Oil slick. Miss a turn

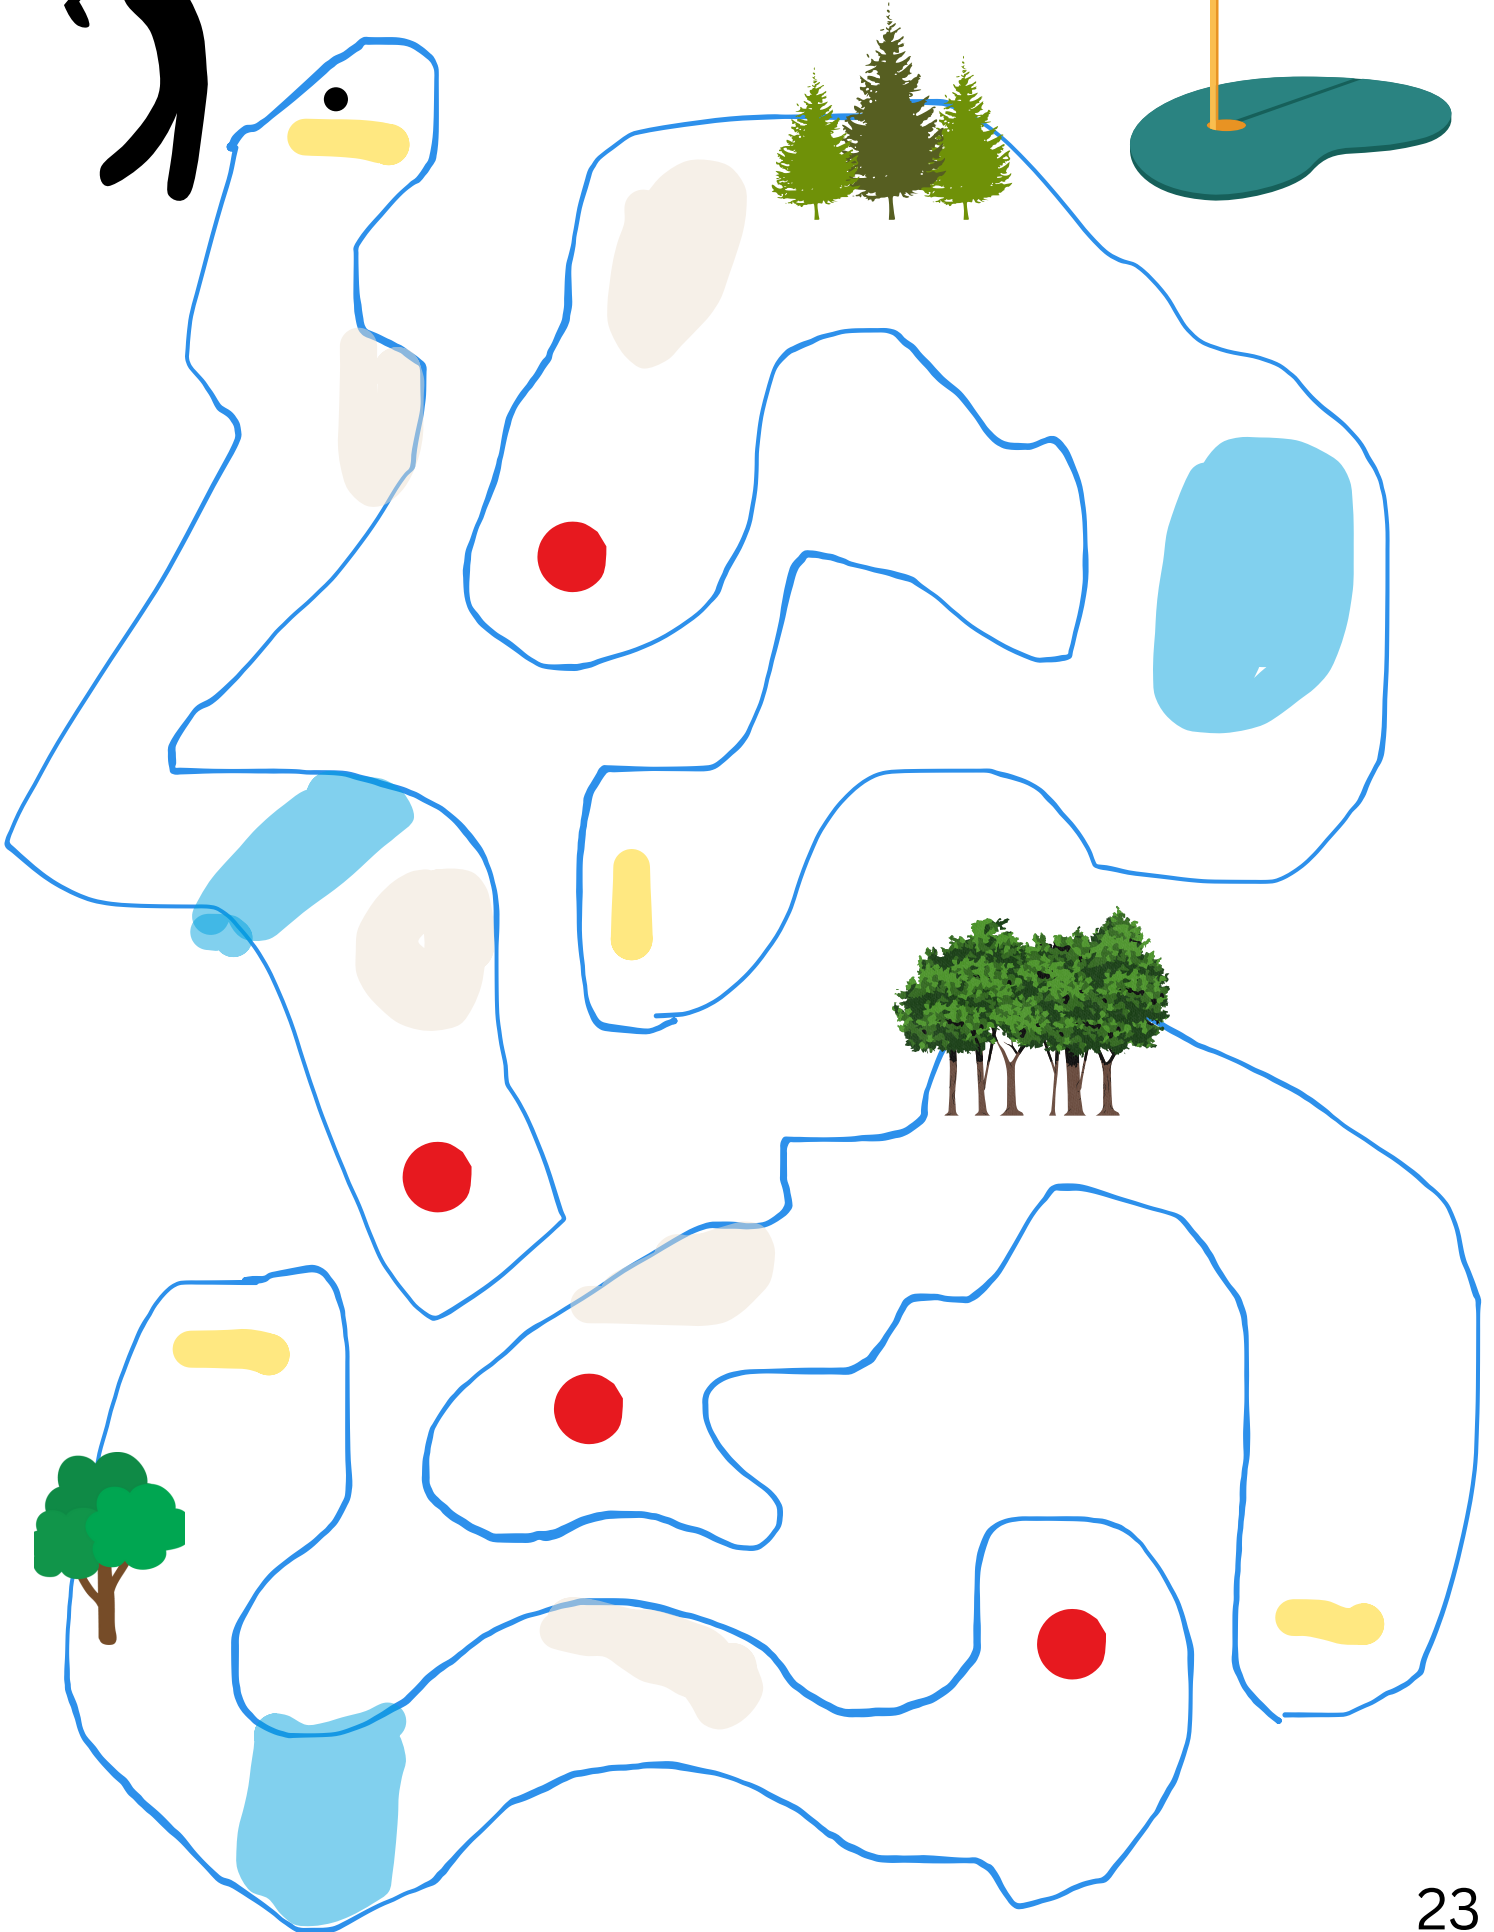

Feel free to add as many obstacles and rules as you like
